

the abandonment by sale to Enogex Interstate Transmission L.L.C. (Enogex Interstate) of all its pipeline facilities and services provided under the Commission's jurisdiction, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Ozark has requested that the Commission expedite its review of the abandonment application and issue an order approving the transfer of the Ozark system to Enogex Interstate no later than July 1, 1998. Ozark states that it has entered into a Purchase and Sale Agreement wherein Ozark has agreed, subject to necessary Commission authorizations, to sell to Enogex Interstate all of Ozark's pipeline and appurtenant facilities that provide service under Ozark's FERC Gas Tariff and the Commission's jurisdiction under the Natural Gas Act. Ozark states that Enogex Interstate is simultaneously filing an application under Section 7(c) of the NGA seeking authority to own and operate, without interruption, the Ozark system.

Any person desiring to be heard or to make any protest with reference to said application should on or before April 6, 1998, file with Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's rules of practice and procedure (18 CFR 385.211 or 385.214) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken, but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's rules. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction of the Federal Energy Regulatory Commission by sections 7 and 15 of the NGA, and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, and if the Commission on its own review of the matter finds that abandonment by sale of the facilities is required by the public convenience and necessity. If a motion for leave to

intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedures herein provided for, unless otherwise advised, it will be unnecessary for Ozark to appear or to be represented at the hearing.

David P. Boergers,

Acting Secretary.

[Docket No. CP98-276-000]

Texas Gas Transmission Corporation; Notice of Request Under Blanket Authorization

March 16, 1998.

Take notice that on March 9, 1998, Texas Gas Transmission Corporation (Texas Gas), P.O. Box 20008, Owensboro, Kentucky 42304, filed in Docket No. CP98-276-000 a request pursuant to Sections 157.205, and 157.211, of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to construct and operate a delivery point under Texas Gas's blanket certificate issued in Docket No. CP82-407-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Texas Gas proposes to construct and operate a delivery point for Protein Technologies, Inc. (Protein Technologies) in Shelby County, Tennessee. Protein Technologies has requested that Texas Gas construct the delivery point and will reimburse Texas Gas in full for the cost of the facilities which is estimated to be \$121,500. Protein Technologies is requesting up to 12,000 MMBtu of natural gas per day of interruptible transportation service.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
